

Shuttle Parking Enforcement at Crystal City Metro

All private shuttles at the Crystal City Metro station must use the designated shuttle pick-up/drop-off area located on 18th Street S. between Bell Street and Crystal Drive.

Any shuttles parked in the non-designated area may be ticketed.

- ♦ The red box on the map shows the shuttle parking area that all shuttles must use starting May 25.
- ♦ Pull all the way up to the end of the drop-off area so other shuttles can park behind you.
